

COMMERCIAL PERFORMANCE FOR YOUR HOME

AWNE92 BLACK

Tested to Outlast

We still make them like we used to. Tested for 10,400 cycles which could be up to 25 years in the home. Our touch pads are tested for 1 million impressions.

Extra Capacity

Large 92 litre stainless steel tub won't corrode, chip, pit or crack. It's not only gentler on clothes, but both the inner and outer tub come with a lifetime warranty.

Wash Quality

Traditional full-sized flex vane agitator with extra-large 210° agitation arc, with 68 agitations per minute, provides superior wash performance.

Durable

Triple coated, commercial-grade steel cabinet will look good for years to come, whilst full metal base provides stability and noise suppression.

Commercial Grade

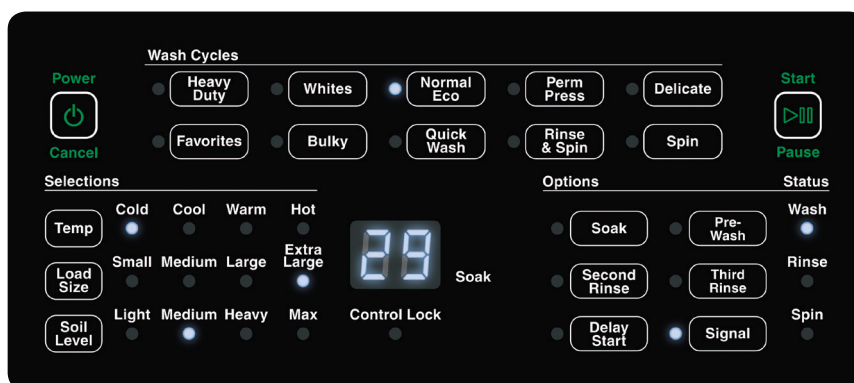

Heavy duty, all metal transmission and industrial strength motor as used in laundrettes world wide.

Fast Cycle Times

Heavy Duty: 37min.
